“I’ve done a lot of recruiting with the companies I’ve worked at. One of the things that I always notice that separates BYU-Idaho students (is) they have had at least one internship, sometimes two or three. A lot of them have worked other jobs on the side. I feel like that’s something that really separates the students because you can gain hands-on experience while you’re still a student.”

JOHN PEARSON ’09
Executive Vice President of Sales and Marketing at Pet IQ

“I felt like the opportunities that BYU-Idaho afforded me to be a leader, work in collaborative ways with the students there, and mingle with the professors uniquely … have largely set me up to be successful where I am. Towards the end of my time at Walmart [Corporate], in many instances, I was managing individuals who had Harvard or Michigan MBAs. And they were clearly bright, but I was running circles around them through the productive output I gave the organization. The things that the organization valued came back to those core principles I was taught.”

THREE-TRACK SYSTEM

BYU-Idaho is invested in helping students from the beginning—we created our First-Year Experience Office for that exact reason. In the first week, students can expect activities and support throughout the campus community.

NEW STUDENT ORIENTATION

Complete the pre-campus orientation and work with your prearrival mentor to be ready before the semester starts.

MOVE-IN WEEKEND

Move into your apartment, meet your roommates, and get settled in. Get BYUI swag, meet your peer mentor, learn all about campus, and party at I-Night.

FIRST SUNDAY IN YOUR STUDENT WARD

This includes BYUI 101—your intro class to BYUI. Use the myBYUI app to see your schedule and find your classes.

Gather in the BYU-Idaho Center with your fellow students to hear a spiritual message from President and Sister Meredith.

Find weekly activities, societies, and more through the I-Belong event app and the weekly Feed emails to stay involved all semester long.

Meet your new ward family in your student ward. In the coming weeks, you’ll also get a Home Evening group and have opportunities to serve in the Rexburg Temple.

Celebrate the end of your first week with a huge celebration for all students.

BYU-Idaho is invested in helping you succeed from the beginning. In the first week, you’ll find activities and support throughout the campus community.
