
Packing List2022

In choosing your clothing, we remind you that you will be representing the university. We expect you to look sharp and be modest.

You will be expected to dress better than your average “classroom dress.” Jeans, shorts, cargo pants, and T-shirts will NOT be allowed on tour (exception will be jeans for service or possible recreation activities). We expect you to wear clothing that is NOT tight or form fitting. We require dress or “khaki-style” pants that have a medium to loose fit.

Medium Size Luggage Bag or Suitcase. To allow you to pack light, you will be given opportunities to launder your clothes on the trip.
