

A photograph of a modern, multi-story brick building with a stepped design, featuring a prominent tall, narrow chimney. The building is surrounded by lush greenery, including tall, thin evergreen trees and large, spiky-leafed plants in the foreground. A large, light-colored rock sits in the lower right foreground, partially covered by a dense bed of small purple flowers. The sky is blue with scattered white clouds. A blue banner with white text is overlaid on the right side of the image.
