## Subject: Selections for the Nursing Program

Students must complete BIO 264, BIO 264L, BIO 265 and BIO 265L with a " B- " or higher and maintain a minimum of "C-" in all major courses.

Students may repeat/retake a total of two (2) nursing prerequisite courses. (This includes all core and prerequisite courses for nursing).

A final grade must be posted for BIO 264, BIO 264L, BIO 265, BIO 265L, CHEM 101, CHEM 101L and PSYCH 111 prior to acceptance.

A student may only apply to the nursing program a total of two times.
Students will not be eligible to reapply for the Nursing Program if they were dismissed from the program
A student is considered eligible who has a 3.0 cumulative and a 3.4 core grade point average (GPA) at the time of selections (Core GPA courses include: BIO 264, BIO 264L, BIO 265, BIO 265L, CHEM 101, CHEM 101L and PSYCH 111).

Acceptance is conditional on NURS 105 being completed prior to beginning the program.

Health Programs Outreach reviews and scores each completed application based on the approved admission criteria:

1. Applicants are ranked according to their score.
2. Each semester the Department of Nursing Selections Council reviews the ranking of each applicant, admitting the pre-determined capacity of students.
3. The Selections Council may assign applicants to a waitlist, as deemed appropriate by the committee. .
4. Students are notified of conditional admission into the Nursing Program by Health Programs Outreach and given a clear deadline of response time.

English Requirements:

- As outlined by Admissions: "International and US applicants not educated in an English language curriculum are required to demonstrate English proficiency by meeting the minimum scores on one of the [English proficiency] exams...In certain cases these exams may be required of students educated in an English language curriculum as well".
- The Nursing Program requires that international and US students not educated in an English language curriculum are required to demonstrate English language proficiency by meeting the minimum score of an $\mathbf{8 0}$ on the TOEFL.
- The Nursing Program also requires a minimum of a 75 on the English Language Composite score on the Pre-HESI for ALL applicants.
