

Career Fair Follow-up Email

Mr. Ashton:

I am a Management major at BYU-Idaho and enjoyed meeting you at yesterday's Career Fair. As we spoke about your company's needs and the attributes of your top interns, I recognized that my technical and soft skills might benefit Tecuity and its customer experience team.

As you will see in my attached resume, I have undertaken multiple for-credit and personal projects to provide clients with insights for better business decisions and also improve my R, Python, SQL, and Tableau skills in the process. I would like to offer these skills to your team while also learning the ins and outs of how an innovative technology solutions company thrives.

Thank you for your time and consideration. May we schedule a time to further discuss the fit between my background and your needs? I look forward to hearing from you.

Best Regards,

Mikiko Reya
