

Portfolium

WHAT IS IT? WHY DOES IT EXIST?

SKILLS GAP: There are 2,000,000 students graduating college this year in the US, but 70% of employers say graduates don't have the skills they need... **EMPLOYERS ARE WRONG!**

*"I'm a student. I **don't** have professional work experience to put on my LinkedIn or resume. I **do** have classwork and projects though..."*

Employers Find You Based on Your Work!

Here's how **you** appear to employers when they search for skills!

Matched Skills

The screenshot displays the Portfolio app interface. At the top, the search bar contains the text "accounting AND leadership". Below the search bar, the results are filtered by "SCHOOLS" and "MAJORS / FIELDS OF STUDY". The "SCHOOLS" list includes Cal Poly Pomona, Cal Poly San Luis Obis..., University of California..., Cal State San Marcos, Cal State Fullerton, San Diego State Univ..., and California State Unive... The "MAJORS / FIELDS OF STUDY" list includes Business Administratio..., Accounting, Bus Admin/Accounting, Bus Admin - Accounting BS, Accounting Theory and ..., and Business Admin. (Account... The search results show two profiles: Anna Sokolova and Ann Li. Anna Sokolova's profile includes a bio, a photo, and a "Work Samples" section with a thumbnail image of a "Global Supply Chain Management PowerPoint". A blue arrow points from the "Matched Skills" label to the search bar, and another blue arrow points from the "Work Samples" label to the thumbnail image.

Greg Haller

President, West Coast

"The projects showcased in a student's Portfolium give me such a more well-rounded view of their **skills** and overall **potential fit** at the company - the company that hires the most college students in the United States."

Matt Hill

Sourcing & Talent Marketing

"Representative work sample interviews are proven to be the most productive, but what's really exciting is that there's currently **no other tech company allowing employers to show** potential applicants what a top candidate looks like."

Portfolium

LET'S GET STARTED!

What to Include in your Profile

YOUR BASIC PROFILE INFORMATION:

- Profile Photo & Cover Photo
- Professional Tagline
 - Ex: “Marketing student showcasing my skills and actively seeking employment opportunities.”
- Upload Your Resume
 - Your profile will actually fill itself out based on the information on your resume
- Introduction
 - A summary of who you are, what makes you special and where you’re headed
- Education (school, major, courses, degrees, clubs)
- Link to your Social Media Profiles

Your Portfolio of Work

WHAT TO PUT IN YOUR PORTFOLIO:

- Assignments
- Projects
- Presentations
- Reports
- Labs & Experiments
- Writing Samples
- Club Activities
- Hobbies & Extracurricular Activities
- Volunteer Events
- Group Projects
- Travel Abroad Experience
- MOOC Courses
- Philanthropic Endeavors
- Athletics
- Greek Life Activities
- Internship Experience
- Part-Time Work Experience
- Anything you're proud of!

Bring It With You

YOUR SECRET WEAPON FOR CAREER FAIRS & INTERVIEWS:

The next time you need to stand out, whether it be a career fair, networking event, or job interview, your Portfolium will allow you to prove your skills and passion beyond the limits of a resume or transcript.

COMMON INTERVIEW QUESTIONS:

Pointing to specific examples in your Portfolium allows you to tell a visual story that truly resonates.

These common questions are ideal for a “Show n Tell” via your Portfolium:

“Tell me about a time you worked on a team and what you were responsible for.”

“Tell me about a project you completed outside of class that you’re most proud of.”

“Tell me something about you that I might not know by looking at your resume.”

Get the Most Out of Your Portfolium!

ENHANCE YOUR RESUME AND LINKEDIN PROFILE

Your profile URL/username is your secret weapon to provide a potential employer or colleague with a much deeper understanding of who you are and what you're capable of. Adding your URL to your resume and LinkedIn profile increases exposure and your chance of landing an interview by 10x.

How is Portfolium Different?

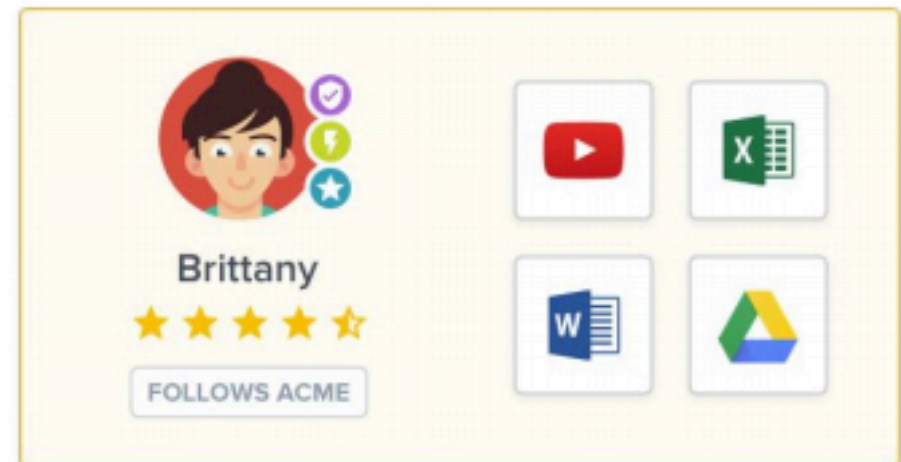

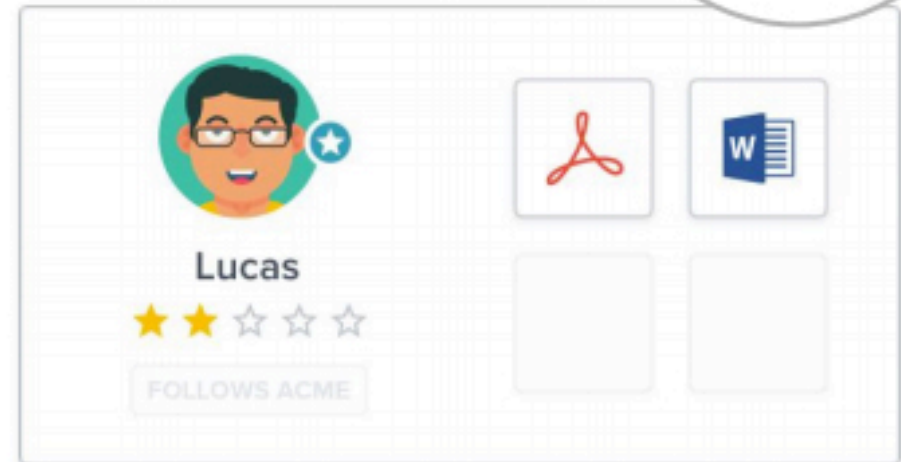

100%
FREE
FOR LIFE

On Portfolium, your work is made discoverable by employers, and it's your work that is the most direct proof of your skills and ability.

This means that a project you completed in one of your courses or even outside of the classroom can be what puts you on the radar of a top employer.

You're more than just a GPA, and more than just a resume. Portfolium is where you prove it and where employers find **you**.

Portfolium is 100% free for life - even after graduation. Enjoy!
