### Checklist to Attend a Career Fair/Market or Recruiting Event

#### Before the event:
- Update your resume with VMock
- Prepare questions to ask companies
- Know how to introduce yourself
- In Handshake, update your profile, register for the event, and research companies attending.

#### During the event:
- Dress and act professionally
- Ask questions
- Take notes
- Ask for business cards or how to follow up

#### After the event:
- Send a thank you email
- Connect on LinkedIn (if applicable)
- Apply to open positions

---

**Why should I dress professionally?**

Dress and act professionally during the event to leave a positive impression on potential employers. Professional attire demonstrates respect and seriousness about the opportunity, which can increase your chances of being remembered and possibly offered a position.
