The Importance of GATHERING

“As we gather in our homes and at church, we create a sanctuary of faith that protects us from the storms of life.”

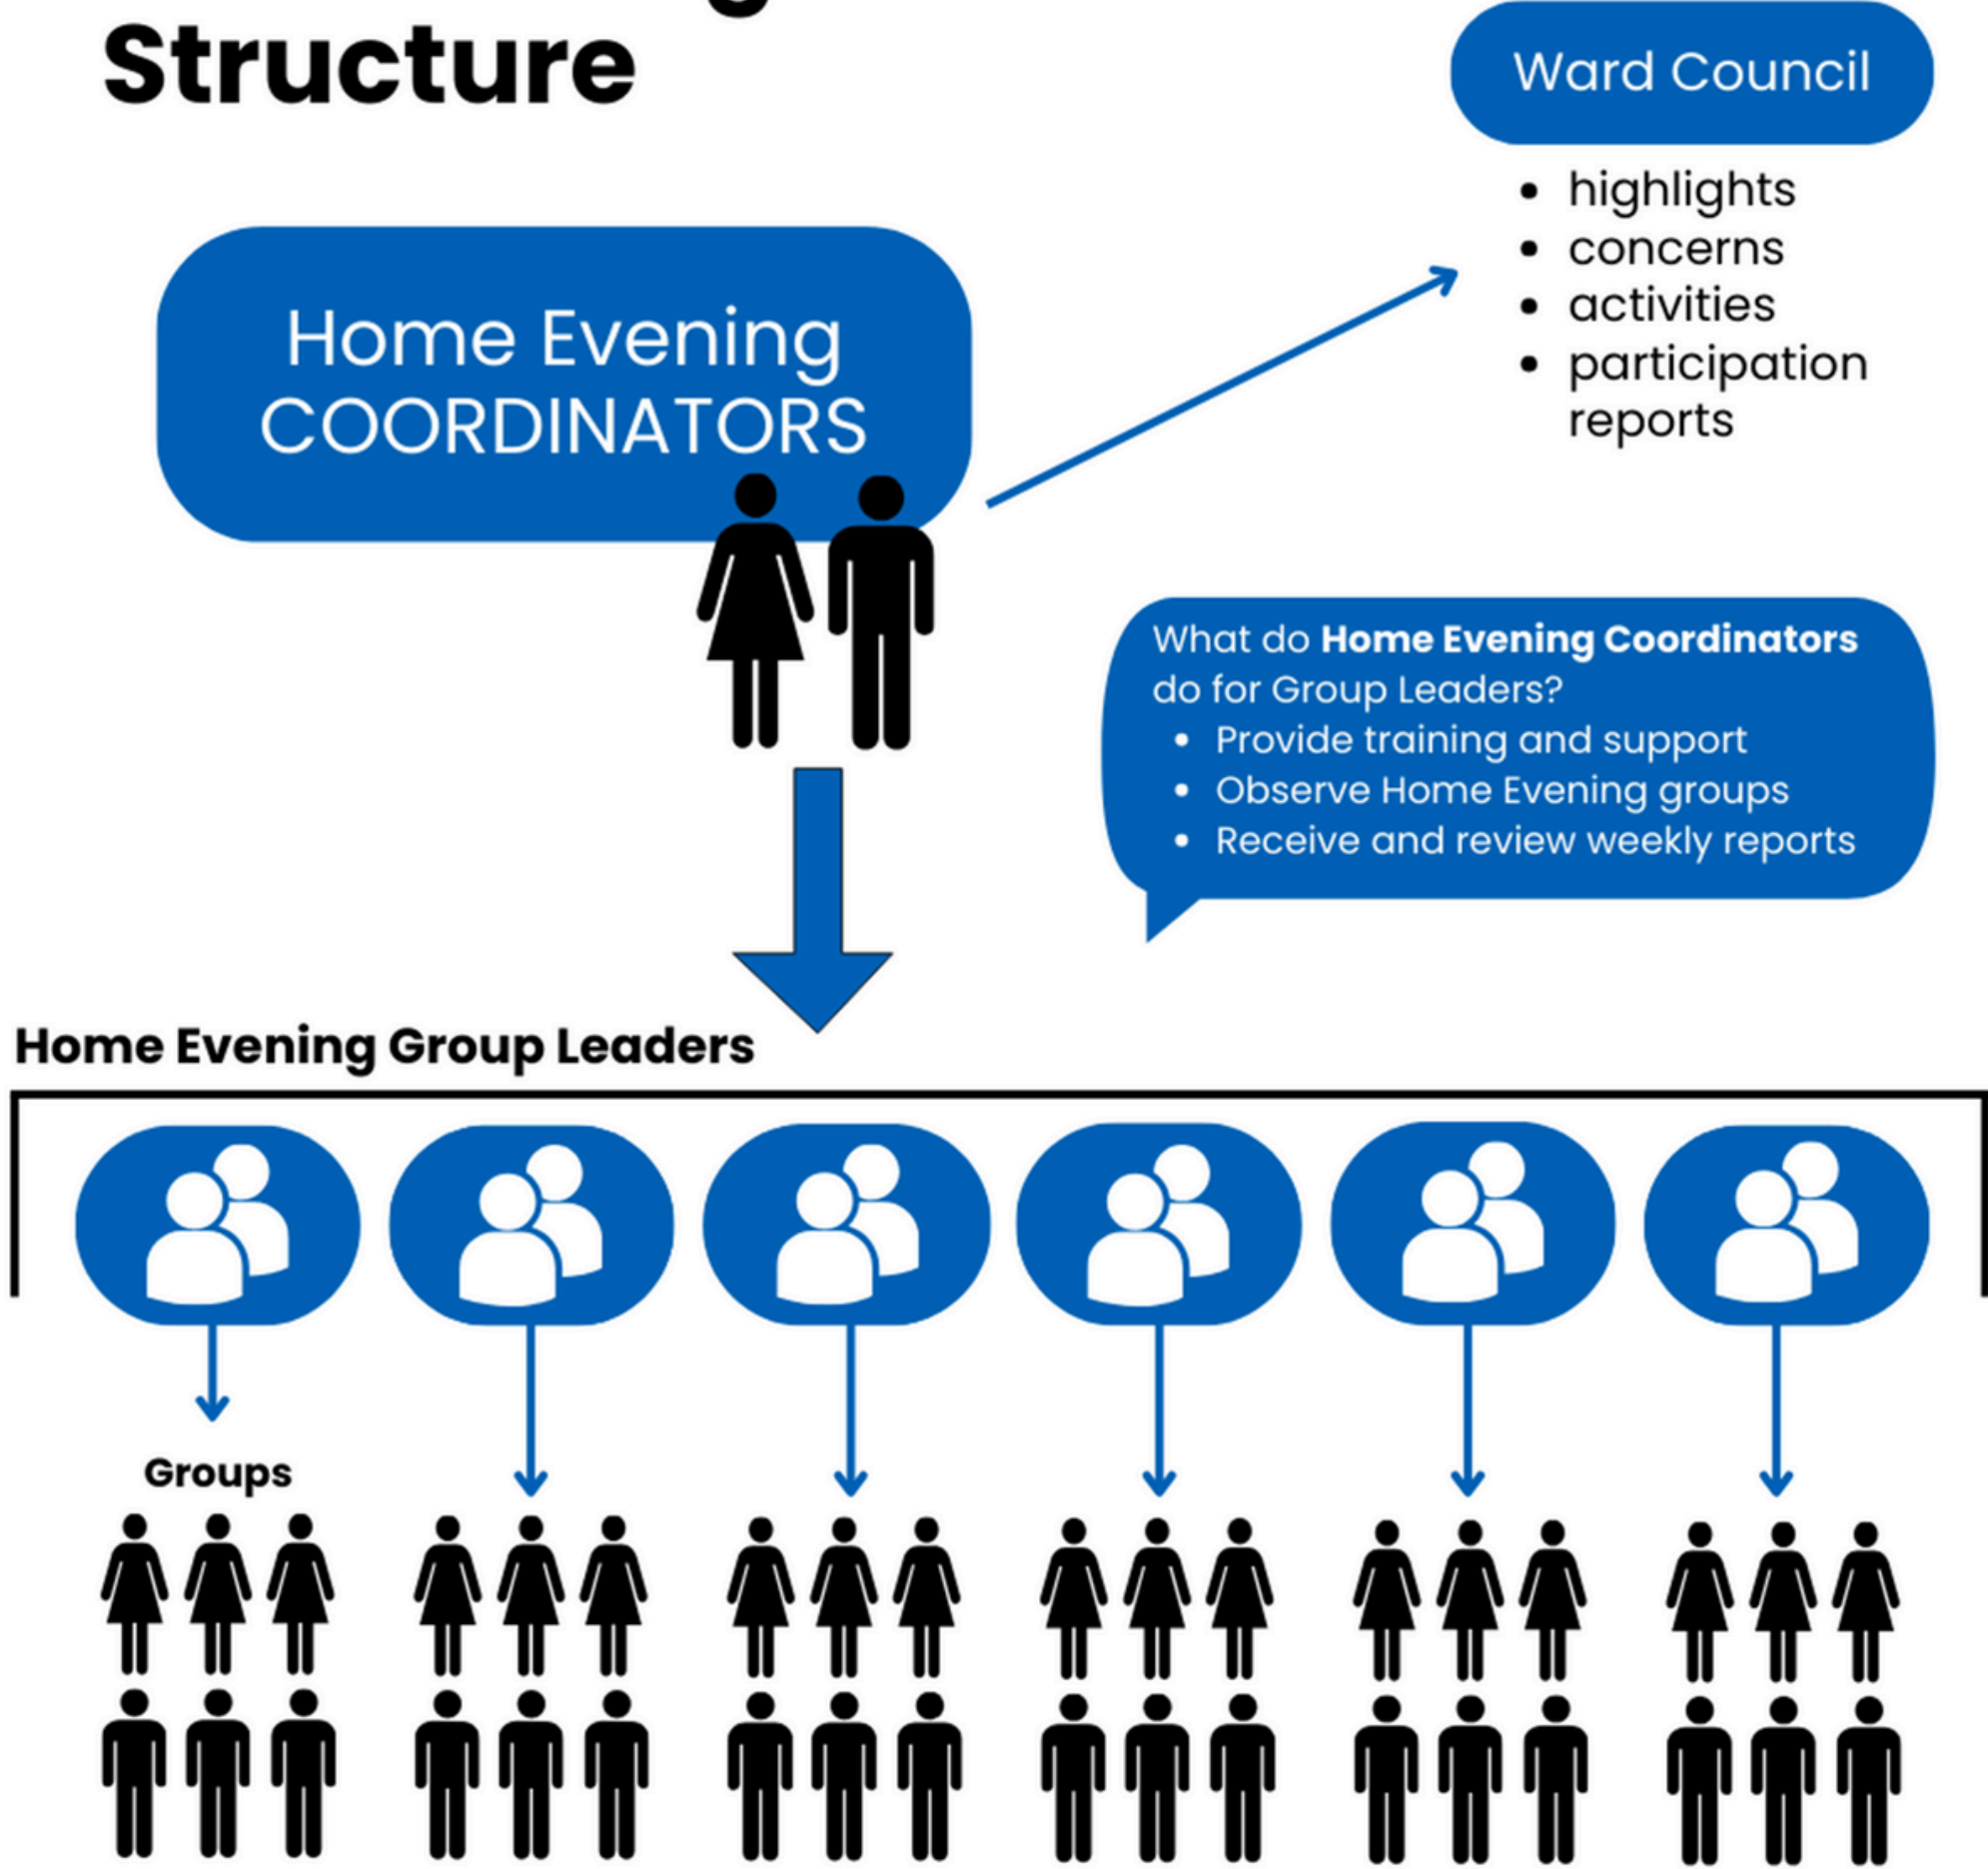

President Eyring

“If the home evening could only be a fact among the Latter-day Saints, if during one evening a week we would live with our own, under the influence of the spirit of the Lord... how many happy homes there would be where today there is sorrow and discord and distress”

President George Albert Smith

THE GENERAL HANDBOOK SAYS...

Home evening is flexible according to members' circumstances. It may be held on the Sabbath or other days and times.

Single members and others can gather in groups outside the normal Sabbath worship services to participate in home evening and strengthen one another through gospel study. *Come, Follow Me* may be a resource for those who desire to study together.
